Elevate. Evolve. Excel.

Welcome to Lynnwood Academy

ABOUT US

A leading training academy specialising in Continuing Professional Development (CPD) and short courses tailored to the dynamic world of soft services, with a specific emphasis on Cleaning & Hygiene.

At Lynnwood Academy, we believe in empowering individuals and organisations by equipping them with the skills and knowledge necessary to excel in the rapidly evolving landscape of engineering and soft services.

WHY CHOOSE LYNNWOOD ACADEMY

Industry-Relevant Content: Our courses are developed in collaboration with industry experts, ensuring that the content is not only up-to-date but directly applicable to the challenges and opportunities within your sector.

Practical Training: We believe in learning by doing. Our courses include practical exercises and simulations that mirror real-world scenarios, allowing you to apply your knowledge immediately.

Flexible Learning Options: Balancing work, life, and education can be challenging. That's why Lynnwood Academy offers flexible learning options, including both online and in-person courses, to accommodate your schedule.

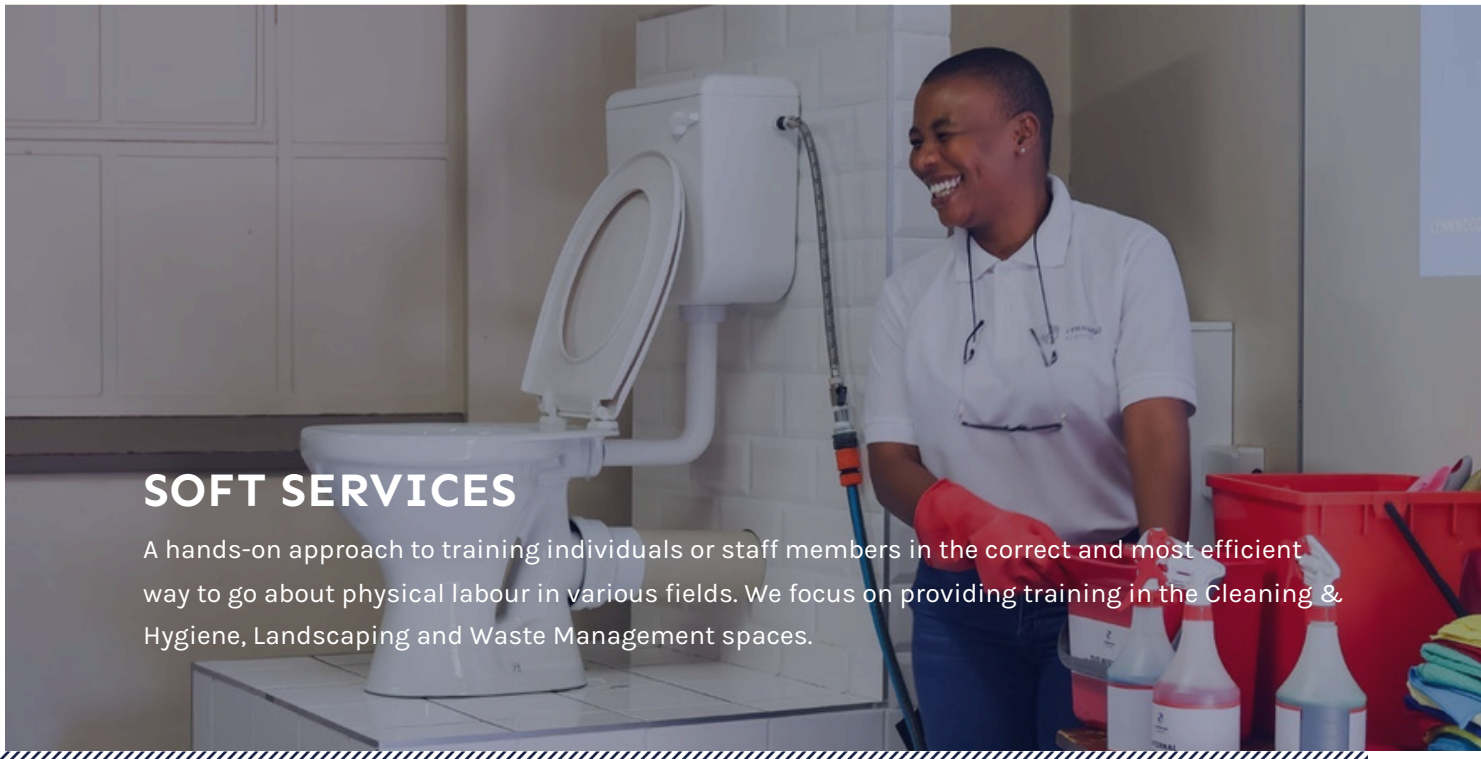

COURSES OFFERED

Lynnwood Academy focuses on the training of professionals by professionals.
Our range of training solutions include:

CONSULTING ENGINEERING: CPD TRAINING

Trainingforindividualsinthe engineeringand constructionprojectmanagementfields by professionals within these fields. Our CPD training has been covered by ECSA and/or SACPCMP, and attending the training will grant you the relevant number of CPD points.

SOFT SERVICES

A hands-on approach to training individuals or staff members in the correct and most efficient way to go about physical labour in various fields. We focus on providing training in the Cleaning & Hygiene, Landscaping and Waste Management spaces.
